Navy says PRs ~~may~~ may be req only ~~when specifically authorized.~~

Navy says the req'd PRs for SCI access are "limited by a monthly quota assigned by DIS". 21-3/#3 Are there delays? because they need more PRs than the quota allows. Quota or: not pressing for PR.

Wait 9 months to bring on board!

says they "would" conduct a risk evaluation if employee w access sens info were to be removed. Do they?

Do do. If ever entertaining retn employee would.

What's the JAG office?
Judge Adv Gen

Do they use Polys in SBIs or PRs? They say great value in assessing continuous access.
Not routine. Random selec wanted
